

Admissions' Policy (including EYFS)

Pupils are admitted to Ballard School, from the ages of 2 to 16 years (Nursery to Y11). Ballard School is non-selective in so far as there is no entry exam.

Admission is based on a variety of factors which will include some, but not necessarily all, of the following:

- A visit to the school by the parent/guardian to include a meeting with the Headmaster, or delegated person, and the prospective pupil(s).
- The completion of a day visit (taster day) for prospective pupils in Reception to Y11 to include lesson observations with teacher feedback to ensure that the school is able to meet the educational needs of the pupil. (The School does not expect Nursery or Kindergarten pupils to undertake a day visit.) Pupils who are in Kindergarten and who wish to proceed into Reception have to reach a certain acceptable standard of behaviour, academic progress and social interaction before a place in Reception is guaranteed.
- A review of the latest available reports and/or a written reference from the prospective pupil's previous school, nursery, playgroup or day-care centre.
- Consideration of the number of children in any given year group who may need individualised support for any reason.
- The completion of a signed declaration by all prospective parents, which informs the School of all known special educational needs of the prospective pupil(s) concerned. The school has a Disability Policy which takes note of recent legislation regarding 'reasonable adjustments'.
- Where applicable, the successful completion of 13+ CE papers, 11+ entrance papers and any other assessments based on the National Curriculum (or alternative) and/or CE syllabus. Pupils with SEND needs are not discriminated against.
- The parental agreement for their child(ren) to attend individual support lessons provided by Specialist Teachers, as decreed necessary by the School or following professional assessment. In most cases, there will be an additional charge for all extra 1:1 tuition. (See fee schedule.)
- Ballard School reserves the right to refuse entry, and progress, into Reception through each year group up to Year 11, if the School's structure in the opinion of the Head and teachers, does not meet the educational, pastoral and social needs of the pupil concerned. Parents have the right to appeal against an unsuccessful application. The Admissions Appeal Panel will be comprised of selected Governors with education and other experiences. This may affect pupils who are already in the School when evidence comes to light that suggests that

the education of the pupil, and other pupils, will suffer if the pupil in question remains at Ballard School.

- For admission to Reception Class we expect a child to attend a minimum of 3 full days and 2 short mornings until 1.00pm, with full time attendance in the Summer Term or the term after their 5th birthday, whichever comes first.

Scholarships

The Head may award a limited number of scholarships to children who excel academically or in another field such as Art, Music, Drama, All Round or Sport. (Further details may be obtained from the Head.) Scholarships are normally awarded for entry in Years 7 and 9 only.

Scholarships are reviewed annually in relation to established criteria to ensure the scholar is reaching his or her potential and may be removed if a pupil does not continue to make satisfactory progress in their chosen scholarship or if the pupil fails to participate in the expected activities associated with the Scholarship concerned e.g. music/ sport/ art activities. Y3 and Y4 scholars (last awarded for September 2016) need to re-sit for a Scholarship in Y6 if they want to be considered for Y7 and beyond.

Bursaries

Means-tested bursaries are available. Parents should note that bursaries are reviewed annually. All details are available from the Bursar. Pupils may be in receipt of both a scholarship and a bursary at the same time.
